UNITED INDIAN ASSOCIATIONS

Hosts a talk by Shakuntala Devi ,
Internationally famous as The Human Computer

Shakuntala Devi - Mathematics prodigy and **Internationally acclaimed astrologer** is an internationally renowned mathematics prodigy who is visiting Sydney. She has made presentations in Universities / Schools worldwide including England, USA, Canada, Japan and also Australia in the University of NSW and University of Melbourne and at Social and Cultural organizations inspiring and instilling the love for mathematics.

Shakuntala Devi is also an internationally renowned consulting astrologer. Her clients include presidents and prime ministers of various countries, top sports stars, Hollywood actors, Bollywood actors and other top dignitaries.

She is going to talk to UIA member association representatives exclusively on 21st February 2009 at Willandra Function room, Ryde-Eastwood Leagues Club, West Ryde starting 6.00PM sharp. Tamil Sangam and Tamil Manram are taking the lead role in this.

This will be immediately after the UIA office opening ceremony followed by a short GC Meeting. As the places are limited (Because of the capacity of Willandra Function Room) member association representative have to register their names. There is no cut-off time but if you delay, we can accept your registration only if seats are left. Hence please send your names by return email to me (austrasia@iprimus.com.au) immediately to avoid disappointment.

Regards

Raj Natarajan
